Please Take Notice, the Law Office of Marc E. Scollar, Esq., has commenced a class action suit against JPMorgan Chase & Co.

NEW YORK, NY: On behalf of his clients, Marc E. Scollar is seeking damages against defendants, JPMorgan Chase & Co., J.P. Morgan Securities, Inc. and Chase Investment Service Corp. The plaintiff-class alleges that the defendants deceived by failing to disclose to investors material facts regarding auction rate securities. Defendants knew, but failed to disclose, that auction rate securities were only liquid at the time of sale because defendants were artificially supporting and manipulating the auction market to maintain the appearance of liquidity and stability. Defendants knew, but failed to disclose, that auction rate securities would become illiquid as soon as defendants stopped maintaining the auction market. See United States District Court, Southern District, Case No. 1:08-cv-5026.
